### R.Schubert Management & Advisory

specialises in advising medium-sized businesses. We also support finance investors who have recognised the potential of medium-sized business and who want to take full advantage of this for all those involved (owners, employees, customers etc.) in increasing order of worth.

The business was founded in 2002 under the name of "Rajko Schubert Management Consulting". Over the past few years we have been able to accompany numerous projects with a sustained level of success.

We are particularly impressive in situations which are critical for a business. Not only because of our professional competence, but also because we show the sensitivity required in order to find and implement forward-looking solutions with everyone involved.

R.Schubert Management & Advisory considers itself a business partner.
